

Here is the New Forest Centre's Programme for 2009; we hope that you will find many events to attend and enjoy. We have left a few dates free so that members can "Adopt a Noggin". If you can think of a good venue; somewhere that logmogs can enjoy a natter, with a drink and food, with safe parking, please offer to arrange a noggin. Available dates are indicated in the programme; we will offer assistance in planning your event. Weekday evening noggins will be on a Friday or Thursday and alternate monthly.

PROGRAMME FOR 2009
